

## Suffolk Police & Crime Commissioner's Fund

We are pleased to announce the opening of the Suffolk Police and Crime Commissioner's Fund (replaces the previous Safer Suffolk Fund). Grants between £250 and £20,000 are available to support the work of voluntary and community groups, Charities, Social Enterprises and Community Interest Companies that are delivering services that help make Suffolk a safer place to live, work, travel and invest in.

If you are in receipt of a Safer Suffolk grant you cannot apply to this fund until you have fully spent and successfully reported on the expenditure of the grant. Please note there is still an exclusion for support services around domestic and sexual abuse as these have been supported via a separate funding stream.

Please contact a Grants Officer on 01473 602602 prior to submitting your application if you have any questions.

The deadline for applications for this round is **11th July 2017**.
