

ALDRINGHAM & THORPENESS CIRCULAR WALKS

THE WALKS

- There are four colour coded circular walks shown on the map. They are all colour marked with paint – **GREEN**, **RED**, **BLUE** and **YELLOW** - and can be walked either clockwise or anti-clockwise. Signs are as follows:
 - └ (a right angle) means turn in the direction shown – this one means ‘turn right’. The turning could be sharp or wide, not always a right angle. Sometimes the painted angle will differ – continue in the direction indicated.
 - or | (a line) means continue in the direction shown.
- Not all paths that cross these walks are shown on the map.
- Walks can be started anywhere along the routes, but convenient starting points are:
 1. Aldringham village at the Car Park of the Parrot & Punchbowl. If possible please ask permission to park here.
 2. Thorpeness village at the Car Park
 3. Immediately North of the B1353 road alongside ‘Little Beauties Wood’ where limited parking is possible.
 4. At St Andrew’s Church Car Park, down Church Lane to the South of the B1353 and ‘Little Beauties Wood’.
